2.2 Board of Director and Officers The affairs of the Association shall be conducted by a board of directors and such officers and committees as the Board may elect or appoint in accordance with the Articles and the Bylaws.

2.3 Association Rules The Board may adopt, amend and repeal rules and regulations to restrict and govern the use of any area by any Owner, by the family of such Owner, or by any invitee, licensee or lessee of such Owner except that the Association Rules may not unreasonably discriminate among Owners and shall not be inconsistent with this Declaration, the Articles or Bylaws. A copy of the Association Rules, as they may from time to time be amended or repealed, shall be available for inspection by the Members at reasonable

1996 1859 06 12

times. Upon adoption, the Association Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration.

2.4. Architectural Committee. The board shall establish an Architectural Committee consisting of not less than three (3) members appointed by the Board to regulate the external design, appearance and use of the Property and to perform such other functions and duties as may be imposed upon it by this Declaration, the Bylaws or the Board.

2.5. Identity of Members. Membership in the Association shall be limited to Owners of Lots. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his ownership ceases for any reason at which time his membership in the Association shall automatically cease.

2.6. Transfer of Membership. Membership in the Association shall be appurtenant to each Lot and a membership in the Association shall not be transferred, pledged or alienated in any way, except upon the sale of a Lot and then only to such Purchaser, or by intestate succession, testamentary disposition, foreclosure of mortgage of record or other legal process. 2.7. Classes of Members. The Association shall have two classes of voting membership.

Class A. Class A members shall be all Owners, with the exception of the Declarant until the termination of the Class B membership, of Lots. Each Class A member shall be entitled to one (1) vote for each Lot owned.

Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of one of the following events, whichever occurs earlier:

(a) When seventy-five percent (75%) of the Lots have been conveyed to Purchasers, or

(c) When the Declarant notifies the Association in writing that it relinquishes its Class B membership.

2.8. Joint Ownership. When more than one person is the Owner of any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one ballot be cast with respect to any Lot.

The vote or votes for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner casts a ballot representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot. In the event more than one ballot is cast for a particular Lot, none of said votes shall be counted and said votes shall be deemed void.

2.9. Corporate Ownership. In the event any Lot is owned by a corporation, partnership or other association, the corporation, partnership or association shall designate in writing at the time of acquisition of the Lot an individual who shall have the power to vote and otherwise exercise the membership rights of the corporation, partnership or association, and in the absence of such designation and until such designation is made, the president, general partner or chief executive officer of the corporation, partnership or association shall have the power to vote and otherwise exercise the membership rights of the corporation, partnership or association.

ARTICLE 3

ASSESSMENTS

3.1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned by it, hereby covenants, and each Owner of a Lot, by becoming the Owner thereof, whether or not it is expressed in the deed or other instrument by which the Owner acquired ownership of the Lot, is deemed to covenant and agree to pay to the Association: (i) annual assessments, (ii) supplemental assessments, and (iii) special assessments. The annual, supplemental and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

3.2. Purpose of the Assessments. The Assessments levied by the Association shall be used exclusively for the upkeep, maintenance and improvement of the Common Area and those portions of the Lots, and the Improvements located thereon, which the Association is obligated to maintain pursuant to Section 7.2 of this Declaration; for payment of real estate taxes on the Common Area; for promoting the recreation, health, safety and welfare of the Owners and

1976 1859 06 14

residents of Lots within the Property; and for the performance and exercise by the Association of its rights, duties and obligations under the Project Documents.

3.3 Maximum Annual Assessment.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum annual assessment for each Lot shall be One Thousand Two Hundred Dollars (\$1,200.00).

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the Board may, without a vote of the membership, increase the maximum annual assessment during each fiscal year of the Association by an amount proportional to the amount of increase during the prior fiscal year in the Consumer Price Index for All Urban Consumers (All Items), U.S. City Average, published by the United States Department of Labor, Bureau of Labor Statistics (1967 - 100), or in the event said index ceases to be published, by any successor index recommended as a substitute therefor by the United States government.

(c) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum annual assessment may be increased by an amount greater than the maximum increase allows pursuant to Subsection (a) above, only by a vote of Members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

(d) The Board may fix the annual assessment in any amount not in excess of the maximum annual assessment.

3.4 Supplemental Assessments. In the event the Board shall determine that its funds budgeted or available in any fiscal year are, or will, become inadequate to meet all expenses of the Association, for any reason, including, without limitation, nonpayment of Assessments by the Members, it shall immediately determine the approximate amount of such inadequacies for such fiscal year and prepare a supplemental budget and levy a supplemental assessment against each Lot in such amount as the Board deems necessary in order to obtain the amount of such inadequacies. Notice of any such supplemental assessment shall be given to each Owner. The supplemental assessment shall be paid on such dates and in such installments as may be determined by the Board. No supplemental assessment shall be levied by the Board until such assessment has been approved by Members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

3.5 Special Assessments. The Association may levy, in any fiscal year, a special assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of the Common Area, including fixtures and personal property related thereto, or for any other lawful Association purpose.

provided that any such special assessment shall have the assent of Members who are voting in person or by proxy at a meeting duly called for such purpose

3.6 Notice and Quorum for Any Action Authorized Under Sections 3.3, 3.4 and 3.5. Written notice of any meeting called for the purpose of taking any action authorized under section 3.3, 3.4 or 3.5 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to sixty percent (60%) of all the votes of each class of Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting

3.7. Date of Assessment. Annual assessments shall be fixed at a uniform rate for each Lot except that the annual assessment for each Lot owned by the Declarant shall be an amount equal to twenty-five percent (25%) of the annual assessment which would otherwise be levied against the Lot until the residence on the Lot has been occupied for Single Family Residential Use. If a Lot ceases to qualify for a reduced rate of assessment during the period to which an annual assessment is attributable, such assessment shall be prorated between the applicable rates on the basis of the number of days in the period that the Lot qualified for each rate. So long as any Lot owned by the Declarant qualifies for a reduced assessment, the Declarant shall pay to the Association the amounts, which when added to the annual assessments collected by the Association and the amounts collected pursuant to Section 3.15 of this Declaration, are necessary in order for the Association to manage the Project and to fulfill all of its duties and obligations under the Project Documents.

3.8. Date of Commencement of Annual Assessments, Due Dates. the annual assessments shall commence as to each Lot on the first day of the month following the conveyance of the first Lot to a Purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year of the Association. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Board may require that the annual assessment be paid in installments and in such event the Board shall establish the due dates for each installment. The Association shall, upon demand and for a reasonable charge, furnish a certificate by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid.

3.9 Effect of Nonpayment of Assessments, Remedies of the Association. Any Assessment, or any installment of an Assessment, not paid within five (5) days after the Assessment or the installment of the Assessment first became due shall bear interest from the due date at the rate of twelve percent (12%) per annum or the prevailing FHA/VA interest rate for new home loans, whichever is higher. Any Assessment, or any installment of an Assessment, which is delinquent shall become a continuing lien on the Lot against which such Assessment was made. The lien shall be perfected by the recordation of a "Notice of Claim of Lien" which shall set forth (a) the name of the delinquent Owner as shown on the records of the Association,

1996 1859 06 16

(b) the legal description or street address of the Lot against which the claim of lien is made, (c) the amount claimed as of the date of the recording of the notice made, (c) the amount claimed as of the date of the recording of the notice including interest, lien recording fees and reasonable attorneys' fees, and priority over all liens or claims created subsequent to the recordation of the Notice of Claim of Lien except for tax liens for real property taxes on the Lot, assessments on any Lot in favor of any municipal or other governmental body and the liens which are specifically described in Section 3.10 of this Declaration.

Before recording a lien against any Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments together with interest and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, the Association may proceed with recording a Notice of Claim of Lien against the Lot of the defaulting Owner. The Association shall not be obligated to release any lien recorded pursuant to this Section until all delinquent Assessments, interest, lien fees and reasonable attorney's fees have been paid in full, whether or not all of such amounts are set forth in the Notice of Claim of Lien.

The Association shall have the right, at its option, to enforce collection of any delinquent Assessment together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association, in any manner allowed by law including, but not limited to, (a) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving any lien securing any such delinquent Assessments, or (b) bringing an action to foreclose its lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

3.10 Subordination of the Lien to Mortgage. The lien of the Association for delinquent Assessments provided for in this Declaration shall be subordinate to the lien of any First Mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

3.11 Exemption of Owner. No Owner of a Lot may exempt himself from liability for Assessments levied against his Lot or for other amounts which he may owe to the Association under the Project Documents by waiver and non-use of any of the common Area and facilities or by the abandonment of his Lot.

3.12 Maintenance of Reserve Fund. Out of the annual assessments, the Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area.

3.13 No Offsets. All Assessments shall be payable in accordance with the provisions of this Declaration, and no offsets against such Assessments shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in the Project Documents.

3.14 Working Capital Fund. To insure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Purchaser of a Lot from the Declarant shall pay to the Association, at the time he becomes the Owner of his Lot, a sum equal to one-sixth (1/6) of the annual assessment on his Lot.
