A Lot owned by the Association, pursuant to Section 6.8 or otherwise, shall not be subject to assessment.

The annual and special assessments, together with interest costs and reasonable attorney's

fees, shall be a charge on the Lot and shall be a continuing lien thereon as well as the personal obligation of the person who was the Lot Owner at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to the Lot Owner's successors in title, unless expressly assumed.

Section 6.2 Purpose of Assessments. In order to promote civic and social betterment for the common good of the Members of the Association, the assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents and Owners of the Property and for the improvement and maintenance of the Common Area.

Section 6.3 Maximum Annual Assessment. Until 2001, the maximum annual assessment shall be \$39.00 per Lot. The annual assessment shall be payable quarterly in advance.

- (a) From and after 2001, the maximum annual assessment shall automatically increase effective January 1 of each year without a vote of the members by an amount which is equal to the greater of: (i) five percent (5%) of the maximum assessment for the previous year; or (ii) a percentage equal to the average rate of change of the Consumer Price Index (the "CPI") for the most recent past twelve (12) months. For the purposes hereof CPI shall mean the Monthly Labor Review by the United States Department of Labor Statistics, designated "Consumer Price Index--U.S. City Average for Urban Wage Earners and Clerical Workers, 1982-84 Equals 100, All Items." The maximum annual assessment automatically increase each year even if the actual assessment does not increase.
- (b) In addition to Section 6.3 (a) above, the maximum annual assessment during each fiscal year of the Association shall be automatically increased by the amounts of any increases in water or other utility charges or any increases to insurance rates charged to the Association; and

- (d) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 6.4 Special Assessment for Capital Improvements. assessments shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for such purpose.

Section 6.5 Notice and Quorum for an Action Authorized Under Sections 6.3 and 6.4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 6.3 and 6.4 shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty-one percent (51%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6.6 Uniform Rate of Assessment. Except as provided herein, the annual assessments must be fixed at a uniform rate for all Lots and may be collected on a quarterly basis, as designated by the Board. Declarant shall pay twenty-five percent (25%) of the annual assessments for each Lot which Declarant owns in four (4) equal monthly installments in the same manner established for payment of the annual assessment amount by other Lot Owners, except that Declarant shall pay and be liable for the full assessment amount for any Lots owned by Declarant which are being used by Declarant as Model Homes or otherwise being used and occupied for residential purposes (but not sooner than the closing of the first Lot to a residential homebuyer). Notwithstanding the above, any home builder in the business of constructing residential improvements on Lots and who buys Lots from Declarant for such purpose shall pay one hundred percent (100%) of the annual assessments for each Lot which such builder owns or leases and which is not being occupied for residential purposes. Any owner renting or leasing a Lot to Declarant which is not being occupied for residential purposes shall pay one hundred percent (100%) of the annual assessment for such Lot.

Section 6.7 Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein shall commence as of the date of conveyance of the first Lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as to the matters described therein.

Section 6.8 Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or such lower rate that is equivalent to the maximum

rate allowed by law and/or receive a late charge not to exceed \$15.00. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

- (a) Enforcement by Suit. The Board may cause a suit at law to be commenced and maintained in the name of the Association against an Owner to enforce each such assessment obligation. Any judgement rendered in any such action shall include the amount of the delinquency together with interest thereon at the rate of twelve percent (12%) per annum or such lower rate that is equivalent to the maximum rate allowed by law, from the date of delinquency, court costs, and reasonable attorneys' fees in such amount as the court may adjudge against the delinquent Owner.
- (b) Enforcement by Lien. There is hereby created a claim of lien on each and every Lot within the Property to secure payment to the Association of any and all assessments levied against any and all Owners of Lots covered by the Declaration, together with interest thereon at the rate of twelve percent (12%) per annum or such lower rate that is equivalent to the maximum rate allowed by law, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. At any time after the occurrence of any default in the payment of any such assessment, the Association, or any authorized representative may, but shall not be required to, make a written demand for payment to the defaulting Owner on behalf of the Association. Said demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien or a lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, or even without such a written demand being made, the Association may elect to file such claim of lien on behalf of the Association against the Lot of the defaulting Owner. Such claim of lien shall contain substantially the following information: (1) the name of the delinquent Owner; (2) the legal description and street address of the Lot against which the claim of lien is made; (3) the attorneys' fees (with any proper offset allowed); (4) a statement that the claim of lien is made by the Association pursuant to the Declaration, and (5) a statement that a lien is claimed against such Lot in an amount equal to the amount stated.

Upon recordation of a duly executed original or copy of such claim of lien, and mailing a copy thereof to the defaulting Owner, the lien claimed shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such assessment was levied. Such lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien, except only tax liens for real property taxes and liens which are specifically described in Section 6.9. Any such lien may be foreclosed by appropriate action in court in the manner provided by law for the foreclosure of a realty mortgage or by the exercise of a power of sale in the manner provided by law under a trust deed, as set forth by the laws of the State of Arizona, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of all other Lot Owners. The Association shall have the power to bid in at any foreclosure or

trustee's sale and to purchase, acquire, hold, lease, mortgage, and convey any such Lot. In the event of such foreclosure or trustee's sale, reasonable attorneys' fees, court costs, trustee's fees, title search fees, interest and all other costs and expenses shall be allowed to the extent permitted by law. Each Owner, by becoming an Owner of a Lot, hereby expressly waives any objection to the enforcement and foreclosure of this lien in this manner.

Section 6.9 Subordination of the Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure, foreclosure or trustee's sale, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability or any assessments thereafter becoming due or from the lien thereof.

There shall be an Architectural Committee, organized as follows:

Section 7.5 Waiver. The approval by the Architectural Committee of any plans, drawings or specifications for any work done or proposed, or for any other matter requiring the approval of the Architectural Committee under this Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing specification or matter subsequently submitted for approval.

Section 7.6 Time for Approval. In the event the Architectural Committee fails to approve or disapprove the plans and specifications, such will be deemed approved within thirty (30) days after their submission.

Section 7.7 Liability. Neither the Architectural Committee nor any member thereof shall be liable to the Association, any Owner, or to any other party, and the Association hereby indemnifies and holds harmless the Architectural Committee and all members thereof, for, from and against any and all damage, loss or prejudice suffered or claimed on account of (a) the approval or

disapproval of any plans, drawings, or specifications, or similar documents whether or not defective, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, (c) the overall development of the Property, or (d) the execution and filing of any estoppel certificate, whether or not the facts therein are correct; provided, however, that with respect to the liability of a member, such member has acted in good faith on the basis of such information as may be possessed by such member, and without willful or intentional misconduct, as would be applicable under local law, and except for those circumstances under which a member of the Board would have liability under Section 4.5. Temporary power or telephone structures incident to construction activities approved by the Architectural Committee are permitted.

- (d) Improvements and Alterations. No improvements, alteration, repairs, excavation or other work which in any way alters the exterior appearance of the Property or the improvements located thereon from its natural or improved state existing on the date such Property was first conveyed by Declarant to a home buyer shall be made without the prior approval of the Architectural Committee, except as otherwise expressly provided in this Declaration. No building, fence, wall, or other structure shall be erected, maintained, improved, altered, made or done (including choice of exterior color scheme and building materials) without the prior written approval of the Architectural Committee or any subcommittee thereof. Pursuant to its rule making power, the Architectural Committee shall establish a procedure for the preparation, submission and determination of applications for any such alteration or improvement. The Architectural Committee shall have the right, in its sole discretion, to refuse to approve any plans, specifications or grading plans, which are not suitable or desirable, for aesthetic or other reasons, and in so passing upon such plans, specifications and grading plans, and without any limitation of the foregoing, it shall have the right to take into consideration the suitability of the proposed building or other structure, and of the materials of which it is to be built, the site upon which it is proposed to erect the same, the harmony thereof with the surroundings and the effect of the building or other structure as planned, on the outlook from adjacent or neighboring Property. No changes or deviation in or from such plans and specifications once approved shall be made without the prior written approval of the Architectural Committee. Basketball standards may be placed upon lot with prior approval from the Architectural Committee.

Homeowner may not make any alterations to front yard landscape and also may not have use of the irrigation system. Lots shall be maintained by the Association free of weeds and debris; lawns shall be neatly mowed and trimmed; bushes shall be trimmed; and dead plants, trees, or grass shall be removed and replaced, as determined by the Board. Installation and maintenance of side and rear yard landscape shall be the sole responsibility of the homeowner. There exists a Citrus Conservation Easement along the easternmost portion of the subdivision affecting lots 13 through 22 and lots 47 through 55. It shall be the homeowners responsibility to perform all maintenance and upkeep of the Citrus Trees within the Citrus Conservation Easement. Any Citrus Tree which dies, is removed, or is otherwise deemed to need replacing, shall be replaced, within a reasonable amount of time by the homeowner with a Citrus, Evergreen, Conifer or other compatible green leaf tree

of substantially similar quality which is no smaller in size than a 36" box. Should the homeowner not replace a Citrus Tree as required, the Association may, at its option, enter upon the homeowners lot to engage in the replacement of any Citrus Tree and the homeowner shall reimburse the association any costs associated therewith. Homeowner shall hold the association harmless from and against any and all claims, damages and/or causes of action resulting from the associations entry onto the homeowners lot and replacement of Citrus Trees.

No Lot may be converted into a condominium or cooperative or other similar type of entity without the prior written approval of the Board. No further covenants, conditions, restrictions or easements shall be recorded against any Lot without the written consent of the Board being evidenced on the recorded instrument containing such restrictions and without such approval such restrictions shall be null and void. No application for rezoning, variances, or use permits shall be

filed without the written approval of the Board and then only if such proposed use is in compliance with this Declaration.

- (k) Signs. No sign of any nature (other than a name address sign, not exceeding 9"x 30" in size) shall be permitted on any Lot; provided, however, that one sign of not more than three square feet may be temporarily erected or placed on a Lot for the purpose of advertising the Lot for sale or rent; and provided further the Declarant or its designee or assignee may erect any signs during construction. There is hereby created a blanket easement upon, across, over and under the Common Area for ingress, egress, installation, replacing, repairing and maintaining all utility and service lines and systems, including, but not limited to, water, sewer, gas, telephone, electricity, television cable or communication lines and systems, etc. By virtue of this easement, it shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment, and to affix and maintain wires, circuits and conduits on, in and under roofs and exterior walls. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utilities or service lines may be installed or relocated except as initially developed and approved by the Declarant or thereafter approved by the Board. This easement shall in no way affect any other recorded easements. This easement shall be limited to improvements as originally constructed and no common utility shall be permitted to pass over any improvements on the Lots and no connection line shall be permitted to pass over any improvement on the Lot other than the one it serves.
- (m) Animals. No animal or fowl, other than a reasonable number of generally recognized house or yard pets, shall be (i) maintained on any Lot covered by this Declaration and then only if they are kept, bred or raised thereon solely as domestic pets and not for commercial purposes; or (ii) be permitted to make an unreasonable amount of noise, or create a nuisance. No structure for the care, housing or confinement of any animal or fowl, shall be maintained so as to be Visible From Neighboring Property.

No automobile, motorcycle, motor bike, motorized hang glider, or other motor vehicle shall be constructed, reconstructed or repaired on any Lot, street, or Common Area within the Property and no inoperable vehicle may be stored or parked so as to be Visible From Neighboring Property, except in the event of an emergency.

- (p) Nuisances/Construction Activities. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to a Lot and no odors or loud noises shall be permitted to arise or emit therefrom, so as to create a nuisance, render any such Property or any portion thereof or activity thereon unsanitary, unsightly, offensive or detrimental to the Lot or person in the vicinity thereof. Without limiting the generality of any of the foregoing provisions, no speakers, horns, whistles, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used, or placed on any such Property. No motorcycles or motor driven vehicles (except lawn maintenance equipment) shall be operated on any walkways or sidewalks within the Property. The Board in its sole discretion shall have the right to determine the existence of any violation of this Section and its determination shall be final and enforceable as provided herein. Normal construction activities shall not be considered a nuisance or otherwise prohibited by this Declaration, but Lots shall be kept in a neat and tidy condition during construction periods. Supplies or building materials and construction equipment shall be stored only in such areas and in such manner as may be approved by the Architectural Committee or the Declarant.

- (s) Diseases and Insects. No Owner or resident shall permit any thing or condition to exist upon the Property which shall induce, breed or harbor infectious plant diseases or noxious insects.
- (t) Party Walls and Fences. The rights and duties of Owner with respect to party walls or party fences shall be as follows:
- (1) Owners of contiguous Lots who have a party wall or party fence shall both equally have the right to use such wall or fence, provided that such use does not interfere with the use and enjoyment thereof by the other Owner.
  - (2) In the event that any party wall or party fence is damaged or destroyed through the act of an Owner, his agents, guests, or family members, it shall be the obligation of such Owner to rebuild and repair the party wall or party fence without cost to the other adjoining Lot Owner or Owners. Any dispute over an Owner's liability shall be resolved as provided in subsection (5) below.
  - (3) In the event any party wall or party fence is destroyed or damaged (including deterioration from ordinary wear and tear and lapse of time), other than by the act of an adjoining Owner, his agents, guests or family member, it shall be the joint obligation of all Owners whose Lots adjoin such wall or fence to rebuild and repair such wall or fence, such expense to be divided among the Owners in accordance with frontage of their Lot on the party wall or party fence.
  - (4) Notwithstanding anything to the contrary herein contained, there shall be no impairment of the structural integrity of any party wall or party fence without the prior written consent of the Board.
  - (5) In the event of a dispute between Owners with respect to the construction, repair or rebuilding of a party wall or party fence or the sharing of the cost thereof, such adjoining Owners shall submit the dispute to the Board, the decision of which shall be final and enforceable.
  - (6) Each Owner shall permit the Owners of adjoining Lots, or their representatives, when reasonably required to enter his Lot for the purpose of repairing or maintaining a party wall or fence or for the purpose of performing installation, alterations or repairs to the Property of such adjoining Owners, provided that requests for entry are made in advance and that such entry is at a time reasonable convenient to the Owner. In case of an emergency, such right of entry shall be immediate. An adjoining Owner making entry pursuant to the terms of this paragraph shall not be deemed guilty of trespass by reason of such entry.

- (7) Surfaces of party walls or party fences which are generally accessible or viewable from only the adjoining Property may be planted against, painted, maintained and used by the adjoining Owners. If such surfaces are viewable from public streets or the Common Area, the color scheme shall not be changed without the written consent of the Architectural Committee.
- (8) Any Lot which has a wall adjacent to the Common Area and which wall separates the Lot from the Common Area shall be considered to have a party wall with the Association and the provisions of this Section 8.1(t) apply as though the Common Area were an adjacent Lot.
- (9) The Owners with a wall adjacent to a street, or adjoining property, other than Lots or Common Area within the Property, shall be solely responsible for repair and maintenance of such walls, and if repair is necessary, the repaired wall must match the size, color, and texture of the existing adjacent walls within the Property.
- (u) Drainage Easement. There is hereby created a blanket easement for drainage of groundwater on, over and across the Common Area. No Owner shall obstruct, divert, alter or interfere with any portion of the Property. Each Owner shall at his own expense maintain the drainage ways and channels on his Lot in proper condition free from obstruction.
- (v) Parking. It is the intent of the Declarant to limit on-street parking as much as possible. Vehicles of all Owners, residents, guests and invitees are to be kept in garages, carports, residential driveways and other parking areas designated by the Association.
- (w) Right of Entry. During reasonable hours and upon reasonable notice to the Owner or resident of a Lot, any Member or authorized representative of the Architectural Committee or the Board shall have the right to enter upon and inspect any Lot or improvements thereon, except for the interior portions of any completed improvements, to determine if the improvements are in compliance with this Declaration. Any such persons shall not be deemed guilty of trespass by reason of such entry.
- (x) Health, Safety and Welfare. In the event uses, activities and facilities are deemed by the Board to be a nuisance or to adversely affect the health, safety or welfare of Owners or residents, the Board may make rules restricting or regulating their presence as part of the Association Rules or may direct the Architectural Committee to make rules governing their presence on Lots as part of the Architectural Committee Rules.

20000081644

- (y) Declarant's Exemption. Nothing contained in this Declaration shall be construed to prevent the erection or maintenance by Declarant, or its duly authorized agents, of improvements or signs necessary or convenient to the development or sale of Lots within the Property.
- (z) Storage Sheds. Storage sheds shall not exceed 6' in height and shall not be visible from the street or adjoining property. The storage shed shall be the same color as the house body or a neutral beige or eggshell color.

Section 8.2 Permitted Uses and Restrictions - Common Area. The permitted uses and restrictions for the Common Area shall be as follows:

(a) Permitted Uses.

(1) Except as otherwise provided herein, the Common Area shall be used in general for the exclusive benefit of the Owners, for the furnishing of services and facilities for which the same are reasonably intended and for the enjoyment to be derived from such reasonable and proper use, without hindering the exercise or of encroaching upon the right of any other Owner to utilize the Common Area, provided that no unlawful use shall be permitted.

(b) Restricted Uses.

(1) The Common Area shall not be used by Owners for storage of supplies, material or personal property of any kind.

(2) Except as otherwise provided herein, no activity shall be carried on nor condition maintained by any Owner upon the Common Area which spoils the appearance of the Property or hinders or encroaches upon the right of any other Owner to utilize the Common Area as reasonably intended.

(c) Maintenance by Association. The Association has the right and may, at any time, as to Common Area conveyed, leased, or transferred to it, or area otherwise placed under its jurisdiction, in the discretion of the Board, without any approval of the Owners being required:

(1) Maintain the planting on all Common Areas. For this purpose, Declarant and the Association shall have the right, at any time, to plant, replace, maintain and cultivate landscaping, shrubs, trees, and plantings on any Common Area and on such easements

over an Owner's Lot as may have been granted to Declarant or the Association, regardless of whether any Owner or the Association is responsible hereunder for maintenance of such areas. No Owner shall remove, alter, injure or interfere in any way with any landscaping, shrubs, trees, grass or plantings placed upon any Common Area or front yard without the prior written consent of Declarant or the Association. Declarant and the Association shall have the right to enter upon or cross over any Lot, at any reasonable time, for the purpose of planting, replacing, maintaining or cultivating such landscaping, shrubs, trees, grass or plantings and shall not be liable for trespass for so doing.

(2) Reconstruct, repair, replace or refinish any improvement or portion thereof upon the Common Area or the above described easement areas (to the extent that such work is not the responsibility of any governmental entity or public utility).

(3) Construct, reconstruct, repair, replace or refinish any road improvement or surface upon any portion of such area used as a road, street, walk, and parking area (to the extent that such work is not done by a governmental entity or utility, if any such entity is responsible for the maintenance and upkeep of such area);

(4) Replace injured and diseased trees or other vegetation in any such area, and plant trees, shrubs and ground cover to the extent that the Board deems necessary or advisable;

(5) Place and maintain upon the Common Area such signs, markers and lights as the Board may deem appropriate for the proper identification, use and regulation thereof, subject to the approval of the Architectural Committee;

(6) Remove all papers, debris, filth and refuse from the Common Area and wash or sweep paved areas as required; clean and re-lamp lighting fixtures as needed;

(7) Repaint striping, markers, directional signs, and similar identification or safety devices as necessary;

(8) Pay all real taxes and assessments on the Common Areas;

(9) Pay all electrical, water, gas and other utility charges or fees for services furnished to the Common Area;

(10) Pay for and keep in force at the Association's expense, adequate insurance against liability incurred as a result of death or injury to persons or damage to property on the Common Area. Such insurance shall be with companies acceptable to the Association in amounts and with adequate limits of liability desired by the Owners or required of the Owners pursuant to any other recorded document affecting the

Property, such insurance to name the Association or the Owners or both as named insured;

(11) Do all such other and further acts which the Board deems necessary to preserve and protect the Common Area and the beauty thereof, in accordance with the general purposes specified in this Declaration;

(12) The Board shall be the sole judge as to the appropriate maintenance within the Common Area and individual front yards; and

(13) Nothing herein shall be construed so as to preclude the Association from delegating its powers set forth above to a project manager or agent or to other persons, firms or corporations.

- (d) Damage or Destruction of Common Area by Owners. In the event any Common Area is damaged or destroyed by an Owner or any of his guests, tenants, licensees, or agents, such Owner does hereby authorize the Association to repair said damaged area, and the Association shall so repair said damaged area in a good workmanlike manner in conformance with the original plans and specifications of the area involved, or as the area may have been modified or altered subsequently by the Association, in the discretion of the Association. The amount necessary for such repairs shall, to the extent required under local law, be paid by said Owner, to the Association and the Association may enforce collection of same in the same manner as provided elsewhere in this Declaration for collection and enforcement of assessments, including Section 9.3 hereof.
- (e) Mortgage or Conveyance of Common Area. The Common Area shall not be mortgaged or conveyed without prior consent of Owners representing not less than two-thirds (2/3) of the authorized votes of each class of Members.

## ARTICLE IX INSURANCE

Section 9.1 Scope of Coverage. Commencing not later than the time of the first conveyance of a Lot to a person other than the Declarant, the Association shall maintain adequate insurance for the Common Areas, including liability in an amount no less than one million dollars (\$1,000,000), as well as directors and officers liability. Each Owner shall be responsible for coverage on his Lot and any improvement thereon.

Section 9.2 Certificate of Insurance. An insurer that has issued an insurance policy under this Article shall issue certificates or a memorandum of insurance to the Association and, upon request, to any Owner, mortgage or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed

cancellation has been mailed to the Association, each Owner, and each mortgagee or beneficiary under deed of trust to whom certificates of insurance have been issued.

Section 9.3 Repair and Replacement of Damaged or Destroyed Property.

Any portion of the Common Area damaged or destroyed shall be repaired or replaced promptly by the Association unless (a) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (b) Owners owning at least eighty percent (80%) of the Lots vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association. If the proceeds attributable to the damaged Common Area shall be used to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall be distributed to the Owners on the basis of an equal share for each Lot.

**ARTICLE X  
GENERAL PROVISIONS**

Section 10.1 The Declaration. By acceptance of a deed or by acquiring any ownership interest in any portion of the Property, each Owner, his heirs, representatives, successors, transferees and assigns, binds himself, his heirs, representatives, successors, transferees and assigns, to restrictions, covenants, conditions, rules and regulations now or hereafter imposed by this Declaration and any amendments thereof. In addition, each Owner by so doing hereby acknowledges that this Declaration sets forth a general scheme for the improvement and development of the Property and thereby evidences his interest that all the restrictions, conditions, covenants, rules and regulations contained herein shall run with the land and be binding on all subsequent and future Owners, grantees, purchasers, assignees, and transferees thereof. Furthermore, each such Owner fully understands and acknowledges that this Declaration shall be mutually beneficial, prohibitive and enforceable by the various future Owners.

Section 10.2 Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

In the event any portion of any Lot is maintained so as to present a public or private nuisance, or substantially detract from or affect the appearance or quality of any surrounding Lot, or is used in a manner which violated this Declaration or in the event the Owner or resident of any Lot is failing to perform its obligation under this Declaration or the Architectural Committee Rules, the Association or any Owner(s) may give notice to the Owner of such Lot that unless corrective action is taken within fourteen (14) days, the Association or such Owner may take, at such Owner's cost, whatever action is appropriate to complete compliance including, without limitation, appropriate legal action. Charges incurred by the Association or such Owner(s), as appropriate, on demand with interest at twelve percent (12%) per annum accruing from the date said charges are incurred until paid in full.

Any sum not paid hereunder by the violating Owner shall be treated as an assessment and collected in accordance with the procedures provided in Article VI.

Section 10.3 Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 10.4 Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be extended for successive periods of ten (10) years. This Declaration may be amended during the first thirty (30) year period by an instrument signed by Owners representing not less than seventy-five (75%) of the authorized votes of each class of Membership, and thereafter by an instrument signed by Owners representing not less than two-thirds (2/3) of the authorized votes of each class of Members; except that the Declarant may amend the Declaration as may be requested by the FHA, VA, FHLMC or FNMA, or any government agency which requests such amendment as a condition of approving the Declaration or any federally chartered lending institution which requests such amendment as a condition to lending funds upon the security of any Lot, or as may be appropriate in the event of any such requested amendment that deletes, diminishes or alters Declarant's control of the Association and its activities, to permit the Declarant to adopt other and different control provisions. Any amendment must be recorded.

Section 10.5 Notices. Notices provided for in these Restrictions shall be in writing and shall be addressed to the last known address of the Lot Owner in the files of the San Michelle Homeowners' Association. Notices shall be deemed delivered when mailed by United States First Class, Registered, or Certified Mail addressed to the Lot Owner at such address or when delivered in person to such Owner.

Section 10.6 Condemnation. Upon receipt of notice of intention or notice of proceedings whereby all or any part of the Property is to be taken by any governmental body by exercise of the power of condemnation or eminent domain, all Owners and first mortgagees shall be immediately notified by the Association thereof. The Association shall represent the Owners in any condemnation or eminent domain proceeding authority for acquisition of any part of the Common Area of the Property, and every Owner appoints the Association his/her attorney-in-fact for this purpose. The entire award made as compensation for such taking of Common Area, including but not limited to any amount awarded as severance damages, or the entire amount received and paid in anticipation and settlement for such taking, after deducting therefrom, in each case, reasonable and necessary costs and expenses, including but not limited to attorneys' fees, appraisers' fees and court costs (which net amount shall hereinafter be referred to as the "Award"), shall be paid to the Association as trustee for the use and benefit of any Owners and their first mortgagees as their interests may appear. The Association shall, as it is practicable, cause the Award to be utilized for the purpose of repairing and restoring the Property, including, if the Association deems it necessary or desirable, the replacement of any improvements so taken or conveyed.

In the event of any taking of any Lot in the Property by eminent domain, the Owner of such Lot shall be entitled to receive the award for such taking, and after acceptance thereof Lot Owner and all of Lot Owners' mortgagees shall be divested of all interest in the Property if such Owner shall vacate Lot Owners' Lot as a result of such taking. The remaining Owners shall decide by majority vote whether to rebuild or repair the Property or take other action. The remaining portion of the Property shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking. In the event of a taking by eminent domain of more than one Lot at the same time, the Association shall participate in the negotiations and shall propose the method of division of the proceeds of condemnation where Lots are not valued separately by the condemning authority or by the court. The Association should give careful consideration of the allocation of Common Interests in the Common Area in determining how to divide lump sum proceeds of condemnation. In the event any Lot Owner disagrees with the proposed allocation, Lot Owner may have the matter submitted to arbitration under the rules of the American Arbitration Association.

Section 10.7 Waiver: Remedies Cumulative. No failure or delay on the part of any person in exercising any right, power or privilege hereunder and no course of dealing between or among the persons subject hereto shall operate as a waiver of any provision hereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other right, power or privilege. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which any person subject hereto would otherwise have. No notice to or demand upon any person in any case shall entitle such person to any other or further notice or demand in similar or other circumstances or constitute a waiver of rights to any other or further action in any circumstances.

Section 10.8 Topical Heading. The marginal or topical headings of the paragraphs contained in this Declaration are for convenience only and do not define, limit or construe the contents of the paragraphs of this Declaration.

Section 10.9 Prior Approval. As long as there is a Class B membership, then if this Declaration has previously been approved by the Federal Housing Administration or the Veterans Administration, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, dedication of Common Area, and the amendment of this Declaration.
