- 6.8 **Rules Regarding Billing and Collection Procedures.** Annual Assessments shall be collected on a monthly or quarterly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of the Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the

Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installation thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.9 **Effect of Nonpayment of Assessments; Remedies of the Association.**

6.9.1 Any Assessment or any installment of an Assessment not paid within fifteen (15) days after the Assessment or the installment of the Assessment first became due (or such longer period of time as required by applicable law) shall be deemed delinquent and shall bear interest from the date on which such Assessment or installment of the Assessment became due at the rate of twelve percent (12%) per annum. In addition, the Board may establish a late fee, not to exceed the greater of fifteen dollars (\$15.00) or ten percent (10%) of the amount of the unpaid Assessment or installment thereof (but in no event an amount greater than permitted under applicable law), to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within fifteen (15) days after such payment was due. Notwithstanding the foregoing, to the extent applicable law from time to time provides for any shorter period of time after which Assessments or any other amounts payable hereunder may or shall become delinquent, such shorter period of time may be established by the Board to apply in lieu of the time period set forth in this Section, and to the extent applicable law from time to time provides for any greater amount of late fee or other amount to be charged to any Owner deemed delinquent in the payment of any Assessment, or any installment of an Assessment, such greater amount may be established by the Board to apply in lieu of the late fee set forth in this Section.

6.9.2 The Association shall have a lien on each Lot for: (i) all Assessments levied against the Lot; (ii) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (iii) all monetary penalties levied against the Owner of a Lot; (iv) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Lot; (v) any amounts payable to the Association pursuant to Section 7.4 or 7.5 of this Declaration; and (vi) any other amounts payable to the Association pursuant to the Project

Documents. The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is recorded and the amount claimed to be past due as of the date of the Recording of the Notice, including interest, lien recording fees and reasonable attorney's fees. Before recording and Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments and all other amounts due to the Association by such Owner. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with a Recording of Notice of Lien against a Lot. If the Association records a Notice of Lien, the Association may charge the Owner of the Lot against which the Notice of Lien is recorded a lien fee in an amount to be set from time to time by the Board.

- 6.9.3 The Assessment Lien shall have priority over all liens or claims except for; (i) liens and encumbrances Recorded before the Recordation of this Declaration; (ii) tax liens for real property taxes; (iii) assessments in favor of any municipal or other governmental body; and (iv) the lien of any First Mortgage on the Lot, or as otherwise provided from time to time under applicable law. Any First Mortgage or any other Person acquiring title or coming into possession of a Lot through foreclosure of First Mortgage, purchase at a foreclosure sales or trustee's sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid Assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of a Lot.
- 6.9.4 The Association shall not be obligated to release the Assessment Lien as to any portion of Assessments past due until all such delinquent Assessments, interest, lien fees, monetary penalties, reasonable attorney's fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full.
