

Greater Granville Community Newsletter April 2019

Street Painting

Street painting and parking striping will begin next week. Please see the color map for the zones being done each day. No vehicle storage or trailers are permitted at Greater Granville. Please move vehicles out of each zone by 6:30am that day, possibly until 6pm, or until Sunland says it's okay to drive on.

Items in the Common Areas

We need your help to keep the community looking beautiful and to aid in the ongoing projects. Please remove items from the common areas by April 30, 2019 and ensure nothing is growing or leaning on the fences.

Vehicles & Parking

We'd like to remind all residents that vehicle repairs should not be completed in the community. Please also remember to park in your designated parking space only and refrain from blocking more than one space in the open parking. New spaces are being assigned for some homeowners, please ensure you are parking in the correct space.

Pets

Please keep pets on a leash at all times when in the community areas. Also remember, owners must immediately remove the accidental defecations (ie: poop) their pets leave in the common areas and patios. Not only is it the courteous thing to do, but it is against the law not to pick up after your pets.

Don't be in the Dark

The Association communicates with owners in various ways, so it is important that we have your correct contact information. Be sure to provide an updated mailing address, email and phone number to Vision Community Management at GreaterGranville@WeAreVision.com or (480) 759-4945 so you aren't left out of important community notices and updates!
