

# **INTERIM POOL RULES**

**Please note: The HOA/Association does not provide nor sanitize and disinfect the gates, furniture, rails, or any of the common areas. Use of the facilities will be at one's own risk.**

The Board of Directors has adopted the following Interim Pool Rules in furtherance of Executive Order 2020-36.

1. All owners, residents and invitees (collectively referred to herein as "Pool Users") must comply with Executive Order 2020-36 "Guidance for Pools".
2. All pool users must stay home if sick.
3. All pool users who are at a higher risk for severe illness should avoid the pool.
4. People at higher risk for severe illness include adults 65 or older and people of any age who have serious underlying medical conditions.
5. Stay at least 6 feet away from other patrons who do not live in your household.
6. Pool users should not touch their eyes, nose or mouth.
7. After leaving the pool, use hand sanitizer. When pool users get home, wash hands with soap and water for at least 20 seconds.
8. This Interim Pool Rule does not replace any existing pool rules but serves to supplement the same.
9. Bring sanitizer to disinfect any and all items you touch in the pool area.
10. ***This Rule may be amended upon receiving further guidance from government health officials.***
