

**Premiere at Desert Breeze
Homeowners Association
Application for Design Review**

All applications for changes to the exterior of your residence/lot must be submitted to the Premiere at Desert Breeze Homeowners Association's Architectural Committee/Board of Directors. The Premiere at Desert Breeze Homeowners Association's Covenants, Conditions and Restrictions (CC&R's) require that a homeowner obtain the prior written approval for any exterior alteration or addition to property within the Premiere at Desert Breeze Community. (See Article 3 of the CC&R's.) This includes repainting of the existing and/or original colors.

Please note that approved applications must be completed in a timely manner. A project completion date is required on the Application. If additional time is required for you to finish your project, an extension request is listed on the second page of these forms. For painting, using approved community color schemes will not require color samples. Any colors used individually or in combinations outside of the community's approved schemes will require color samples and you must indicate which color each section of the residence will be painted.

To comply with the CC&R's, please submit this application with all the required attachments to:
