

KEYSTONE

September 2021

PETS

The Association appreciates all of the responsible pet owners who clean up pet waste. This helps to keep the community clean, and to keep every pet safe. Please remember, that pets must be kept on leashes whenever not enclosed within a unit. This helps to ensure the safety of all residents, and pets in the community. Owners may receive violation notices and fines if observed outside of a unit with a pet that is not on a leash. We would also like to remind pet owners to please make sure that your dogs are not constantly barking.

TRASH AND RECYCLE

Please remember that trash containers can be placed out no earlier than 3:00 pm the day prior to collection day and brought in no later than 6:00 pm the following day.

PARKING REMINDERS

We'd like to remind all residents that vehicles should be in proper working order if visible from neighboring properties. Inoperable vehicles, including those that are severely damaged, showing significant or unsafe body damage, in a state of disrepair, lacks license plates or exhibits expired plates are not permitted.

COMMUNITY WEBSITE

Did you know that our community has a website? Owners can log on to www.WeAreVision.com or KeystoneOwners.org to review account balances, stay up to date on the community calendar, make online assessment payments, or download Association documents and forms.
