Suggestion: Benjamin Moore was chosen because of their longevity for exterior paint and that has been proven on some of the homes that used them at that time.

Look for the Search Magnifying Glass.

Enter the Paint Color Number with the 6 digits e.g. 2114-40, 2114-50, 2114-60

Go to a Benjamin Moore Dealer at any ACE Hardware in Arizona.

Pick up the paint swatch and either have them make it or take it to wherever they would like to have it made.

NOTE: ALL RESIDENTS ARE RESPONSIBLE TO EDUCATING THEIR PAINTERS THE AGE OF THEIR HOME AND THE FACT THAT IT THEY HAVE NOT BEEN PAINTED IN 28 YEARS THEY WILL NEED TO BE "PRIMED" BEFORE THE NEW PAINT GOES ON.
