MEETINGS: The board meets on a Tuesday and usually in the morning at the Ramada at 9:00 AM. As the meetings are not each month, the meetings are posted on the website and on the bulletin boards by the mailboxes. **Meeting dates are subject to change and will be posted 48 hours prior to the meeting. If you want an item to be on the agenda please submit to Vision Community Management, at least one week prior to the meeting date.**

Homeowners are invited to attend. It's a good way to keep up on the latest Belmont developments and also a way for you to share your concerns. Our **Annual Meeting** to elect new Board members is held every March. More information will be sent to all homeowners prior to each Annual Meeting.

ASSESSMENTS: Belmont residents pay two assessments, one to the Triple Crown HOA and the other to the Belmont HOA. The Belmont assessments are used for maintaining and improving the Belmont Common Area, including the pool/spa, the exercise room and equipment, and the common area landscaping. A portion of the assessment is allocated to the Reserve Fund which is established for future repair and replacement of the common area assets, including the pool furniture, kitchen appliances, exercise equipment, and street repair. Please contact Vision Community Management for assessment payment information.

Subject: ARCHITECTURAL REVIEW COMMITTEE RULES

Revised August 2019

The following Belmont rules have been established pursuant to Article XI, Sections 11.1 and 11.3 of the Declaration of Covenants, Conditions and Restrictions for the Belmont at Triple Crown Homeowners' Association in order to direct the Architectural Review Committee (ARC) in making decisions, approving or disapproving architectural plans submitted to it pursuant to Article IX of the Bylaws of the Belmont at Triple Crown Homeowners' Association, and when deciding upon appropriate corrective actions against non-conforming architectural changes. These rules supersede Triple Crown Architectural rules. and will be enforced as needed.

The further purpose of the Belmont rules is to provide homeowners with direction when planning or considering architectural and drafting plans and specifications to be submitted to the ARC for approval. These rules do not supersede the governing legal documents of Belmont at Triple Crown Homeowners' Association. Furthermore, the homeowner is responsible for ensuring all submittals meet applicable zoning and regulatory codes and permitting requirements.

The rules are intended to assist the maintenance of harmonious design, materials, decoration, color, and locations of all architectural changes. The harmony will retain the aesthetic and economic value of individual properties, as well as the entire Belmont at Triple Crown community. The rules are intended to be broad enough to allow each property owner to exercise individual taste within a parameter which all architectural changes must fit.

All architectural changes must be submitted to the property management company using the Belmont Architectural Request form that can be downloaded from the Belmont Homeowners' Portal unless this document specifically states that submittal is unnecessary. Submittals which do not conform to the rules will be evaluated on an individual basis and the owners should be aware that the submitted change may not be approved. No decision by the ARC on any one case may be used to establish a precedent for the decision on another. Management will send each request to the ARC electronically for review and voting. The management company will notify the owner of the ARC's decision in writing.

Appeals to decisions made by the ARC shall be in writing and submitted to the management company. The ARC shall meet to review the appeal and a majority vote of the ARC shall be forwarded to the management company who shall advise the homeowner of the ARC appeal decision. If the homeowner is not satisfied with the appeal decision of the ARC, the homeowner may appeal to the HOA Board and shall submit a written appeal to the management company who will present the appeal to the HOA Board for final decision. The management company will notify the homeowner of the Board's final decision.
