Come visit Habeneros Taco Truck this Saturday at Leo Park from 5p to 8pm.

Enjoy their home-style Mexican cooking with recipes based on years of family celebrations. All of their salsas and garnishes are made with locally-produced fruits and vegetables, purchased from local merchants, not big box stores or supermarkets.

They believe in the #supportlocal and #supportGilbert in keeping the best of everything we have in our local communities.

We are excited to partner with other Arizona businesses to keep our money local and to help other small businesses grow!
