

ARCHITECTURAL  
DESIGN GUIDELINES  
RULES AND REGULATIONS  
FOR  
CATALINA POINT PAINTING GUIDELINES

Paint colors are from Dunn Edwards paint, you may choose to go with a different paint company, but colors must be matched.

There are 5 paint skeme's available to choose from, skeme 5 being with the most colors, and the only one with 3 trim colors that compliment the other colors within that palette. Please pick a skeme that you like, and work within that skeme. Please follow application requirements and submit Architectural form located on Vision website.

**Specifications-** Detailed description of materials to be used, and placement of those colors, Trim, Body, or Pop-outs.

**Photographs-** Submitting pictures of color swatches along with where placement would be is not required, but would be helpful.
