

KEYSTONE OWNERS ASSOCIATION
STORAGE & DEBRIS CONTAINER POLICY

Storage and debris containers (PODs, mini-mobile, salvage containers, roll-off bins, mini-dumpsters, bag dumpsters, and the like) are permitted for up to 30 days with notification to the Board of Directors prior to placement of the container. These containers must be placed and fit on the owner's driveway and under no circumstances are allowed on the streets or common areas, and may not block sidewalks or obstruct the access of pedestrians or vehicles. Time extensions are allowed with Board approval.

Failure to follow this policy may result in a fine as defined in the current Keystone Owners Association Fine Policy.
