

# RANCHO SANTA FE

## DESIGNATED PARKING AREAS

The Board of Directors has designated some parking areas for Residents at RSF. The intent was to help the people that have an additional vehicle that cannot fit into the driveway or garage. No commercial vehicles of any type or size are permitted in these areas. Vehicles must be parked on the designated side of the street. The City states that vehicles may be parked in these areas as long as they abide by City regulations. This includes: cars must be parked the right direction, must not exceed the parking time frame, and cannot be inoperable or abandoned. Vehicles may not block mailboxes.
