RE: City of Tempe Trash/Recycle Container Pickup

Dear Homeowner:

Beginning September 17, 2012, all City of Tempe trash/recycling containers should be placed at the red curbing adjacent to the fire hydrants prior to 6:00AM on the scheduled collection day. Over the next few weeks, you will notice a City of Tempe sticker has been placed on your can. The sticker indicates the locations for can placement. The City of Tempe requires that containers be spaced two feet apart and removed by 6:00PM the same day. Please write your house number at least five inches tall on the top of each can. If you do not receive stickers please contact the Vision Community Management office at 480-759-4945 or by emailing [brownstones@wearevision.com](mailto:brownstones@wearevision.com)

Also, please remember to keep your cans stored in the garage when not placed at the curb for collection. Per the CC&R's Article 4, Section 4.7, Trash Containers and Collection: "In no event shall such containers be maintained so as to be visible from neighboring property except to make the same available and then only for the shortest time reasonably necessary to effect such collection."

The scheduled collection day for trash is Monday and recycling is Thursday. If you have any questions please call the City of Tempe at 480-350-4311.

Thank you in advance for your cooperation during this transition.

Sincerely,

Your Board of Directors  
The Brownstones at Tempe
