## **RULES AND REGULATIONS CC&R VIOLATION AND ENFORCEMENT POLICY EFFECTIVE MARCH 21, 2015**

Rogers Ranch Unit 2 Homeowners Association has established the following Enforcement Policy for Covenants, Conditions and Restrictions (CC&R's) violations enforcement, and any applicable monetary penalties for continuing violations. This Policy will be deemed part of the Association Rules and is subject to amendment or modification at any time by majority vote of the Board. This Enforcement Policy for non-monetary violations is adopted in accordance with Arizona's Planned Communities Act, Arizona Revised Statutes 33-1801 through 33-1807 (Supp. 1997) and the provisions of the CC&R's and Project Documents, as currently in force and effect.

### **First Notice:**

A notice will be delivered to the Owner of the property outlining the violation. The Owner will be given fourteen (14) calendar days to bring the violation into compliance.

### **Second Notice and Assessment of Initial Monetary Penalty:**

The Association will assess a Maximum Initial Penalty if the Owner has not corrected or removed (or has chosen not to correct or remove) the violation or the violation has repeated or returned as stated in the time frame in the First Notice (14) calendar days. All penalty notices will be sent via regular and certified mail. The homeowner will also be responsible for a certified letter processing fee.

### **Additional Monetary Penalties:**

After the imposition of the Maximum Initial Penalty, the full amount of the Additional Penalty will be imposed upon subsequent inspections if the Owner has not corrected or removed (or has chosen not to correct or remove) the violation or the violation is repeated or has returned.

**Should a period of time of at least 120 days lapse between violation letters of the same offense, the next letter will be a First Notice again.**

### **Exception to Notice Procedure**

Violations posing a threat to the health, safety, and welfare of the community as a whole or any one or more other Owners may require immediate action and thus create exceptions to the foregoing notice provisions. Examples of health, safety, and welfare violations include, but are not limited to, the following: accumulation of trash and/or other materials that may attract pests; threat of flood or fire damage to neighboring properties; an escaped pet; or a collapsed structure or tree blocking the road or drivers' lines of vision.

### **Right of Self-Help**

Per Section 11.3 of the CC&R's, the Association has the right (but not the obligation) to enter the Owner's property and to provide all maintenance and repairs that are necessary to remove the violation. Entry by the Association and any of its agents is not an actionable trespass. The Association may assess the Owner for the costs of all maintenance and repairs performed by the Association.

**Opportunity to be Heard**

The Association recognizes each Owner’s right to explain the reasons why there is a violation of the CC&R’s or the other Project Documents, particularly if the violation results in a monetary penalty. Before any penalty is assessed, an Owner has the opportunity to request a hearing before the Board of Directors. The Owner must provide timely written request for a hearing. If the hearing is scheduled, the Owner is bound by the decision of a majority of the Board.
